Jeff confirmed the Cycle Path suggestion was progressing well. He had met with CBC and there was potentially some funding available under STARS. Jodie Colclough was helping progress this and Jeff planned to meet with GP from Clophill NP group to join up plans.

Helen confirmed the Design Statement would be start to be drafted. Siobhan would help with this.

Additional photos would be required so a request was to be made to the Silsoe residents via FB.

John Balaam was meeting with Helen to discuss outputs from the Village event.

A meeting was being arranged with Wrest Park Senior Leaders to discuss the survey and how we might better work together, advertise the NP, etc.
